is granted authorization according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our test report 09.0.72267

for the following articles:

Knitted T-shirts made of 100% cotton and cotton/ elastane, bleached white and reactive dyed including accessories (sewing threads, crystallized- Swarovski elements, woven and printed labels), exclusively produced from materials certified according to Oeko-Tex® Standard 100.

The results of the inspection made according to Oeko-Tex® Standard 100, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for products with direct contact to skin.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested.

This authorisation is valid until 31.01.2011
